<input type="checkbox"/> SOCI1040 Social Problems		3	
<input type="checkbox"/> COMM2025 Fund of Speech Comm		3	

4 SEMESTER CREDITS 15

ADDITIONAL DEGREE REQUIREMENTS: 10-32 SEMESTER HOURS

In addition to the 15 hours in general education core classes, and the 15 hours in major core requirements, students may apply the credits from their allied health technical certificates (listed in box above).

The length of the technical certificate or certificates applied to this degree, will dictate how many additional credits the student will need. A student needs at least 60 credits (15 in general education) in order to earn an AAS degree from Southwest.

When the technical certificate(s) and the 30 hours required in gened and major core classes, do not equal 60, then students may select from the following list of electives to bring their credit total to 60 hours: (Grades of "C" or better are recommended)

HLTH1050 Personal Health	Preferred for Healthcare Professionals:
HLTH2210 Health, First Aid, and Safety	PSYC2130 Life Span Psychology
PSYC2120 Social Psychology	BIOL1230 Microbiology
SSCI2990 Special Topics in Social Sciences	BIOL2010 Human Anatomy and Physiology I
BIOL1010 Introduction to Biology I	
BIOL1020 Diversity of Life	
BIOL2020 Human Anatomy and Physiology II	

To stay on track, these courses must be taken in order.

SEMESTER CREDITS 0-30
PROGRAM CREDITS 60

Milestone Courses

Based on prior students' experience, students who do well in these courses are more likely to graduate on time in this program.

General Advising Notes

This degree is for students who are enrolled in or already have a Technical Certificate in an Allied Health Area AND want to continue their education to receive an Associate of Applied Sciences Degree.

ENGL1010 and ENGL 0810
ACAD 1010 and READ 0810
MATH 0530 and MATH 1530

Helpful Hints

15 to FINISH

Take 15 credit hours a semester to finish your degree in two years.
