Milestone Courses

Based on prior students' experience, students who do well in these courses are more likely to graduate on time in this program.

General Advising Notes

Students completing this program, including the recommended elective, will earn 100 percent of the education hours required by the State of Tennessee for state licensure as a substance abuse counselor. This training program does not include the state's required work experience component for licensure. Becoming a state licensed substance abuse counselor greatly enhances career opportunities in this field. This training program has been approved for counselor licensure credit by the Tennessee Alcohol and Drug Credentialing Board.
